3. Select the corresponding checkbox for each of the courses that you are requesting accommodations for at this time.

4. Review each statement in the box below.

5. Click on "Step 2 - Continue to Customize Your Accommodations".

6. Review each of your indicated courses and “Select Accommodation(s) for [course]” by checking the corresponding box next to the accommodations you are requesting—please ensure that you review and select accommodations for each course.

   **Note:** Approved accommodations were determined at your “Registration Meeting” when you first register with Office of Disability Access (ODA). You can modify your accommodation request at any time during the semester; however, accommodations are not retroactive. Please contact your ODA Coordinator with questions.

7. If you would like to have your LOAs emailed to your professor/instructor for each course check the box that indicates “Select the check box if you would like DS to email this accommodation letter to your instructor(s) for [course]."

8. Click on “Submit Your Accommodation Requests.” ODA will email your LOAs to your professors, and you will receive a copy of the email.

9. We recommend that you follow up with each professor/instructor after Letter of Accommodation in person or via email.
